**President Wilson has expressed his
approval of the Fifth National Tuberculosis Day Movement, during the
week of November 29th, and also the
work of the National Association for
the Study and Prevention of Tuberculosis. The Fifth National Tuberculosis Day celebration will be Sunday
November 29, and in a letter to the
President of the National Association
President Wilson says, among other
things: "I know that I need not assure you of my very profound interest
and sympathy with the work of the
National Association for the
Study and Prevention of Tuberculosis, and I am delighted to know that
you feel encouraged by the results of
its efforts. I sincerely hope that November 29, the day which you have
designated as Tuberculosis day, will
result in awakening the people of the
United States still further, not only
to the necessity, but to the perfect
feasibility of arresting and preventing
this terrible disease."**
